ENSURE YOUR INSTITUTION IS FIT FOR THE FUTURE

Why Undertake a PMA+?

- Elevate the importance of procurement efficiency to your senior executive team
- Drive qualitative input from key senior stakeholders including Finance Directors and decision makers behind major purchases, such as Directors of Estates, ICT and Marketing (available as part of an on-site PMA+ only)
- Engage with key senior stakeholders through on-site interviews and presentations to support buy-in (available as part of an on-site PMA+ only)
- Provide your Audit Committee with assurance that your institution is meeting sector benchmarks and performing both effectively and efficiently
- Demonstrate to the Office for Students that procurement best practice is delivering value
- Save time with a streamlined question set and Office 365 evidence submission platform that improves process without compromising rigour
- Work along side our team of professional procurement specialists with a wealth of experience from both HE and the commercial sector.

An on-site PMA+ is available for £5,000; a remote PMA+ is available for £3,000.
