

"SUMS helped us work through where we could make efficiencies without cutting who we are."

- Helen Galbraith, Academic Registrar and Secretary, Keele University

IS YOUR UNIVERSITY FINANCIALLY  
FIT FOR THE FUTURE?

# EFFICIENCY AND CHANGE PROGRAMME SUPPORT

*Use our modular framework to support you through major change and efficiency programmes **supporting staff buy-in and delivering long-term effectiveness.***

**SUMS**  
Consulting

# ENSURE YOUR INSTITUTION IS FIT FOR THE FUTURE

## Our Efficiency Support Modules Include:

- Diagnostic analysis
- Financial benchmarking
- Process optimisation
- Value for Money procurement assessment
- Change maturity assessment
- Change team capability building
- Executive team coaching and support
- Change team support

## A Customised Approach

SUMS' modular framework enables you to work with us on areas of specific focus, or to piece modules together for more holistic support - simply choose the modules that best fit your needs.

## Working *with* You, Not Doing it to You

Unlike most management consultancies, we recognise how important it is that *you own* your change programme. Clients see us as a trusted partner, supporting staff buy-in and long-term effectiveness.
